# *Standard Guarantee*

## OF AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

**ALL STAR PREMIER x** - Premier combines the best of horned blood with the greatest polled strain ever developed, the imported Princess Royals, the Thos. E. Wilson famous Clipper family, his Royal Leader Mercurys and the one and only Carona Fascination. Premier is the kind of bull you would expect from such a pedigree, big, soggy, beautiful head, exceptional depth and thickness. We have all our cows bred to him and two good heifer calves, both clean polled from horned heifers. Premier was 5th open class Junior bull calf at the Illinois State Fair, showing off his mother (a first calf heifer) absolutely no nurse cow used. We would like the right to use the semen which we have on hand, so will sell 2/3 interest in All Star Premier giving the buyer full possession. Premier is semen tested with an excellent rating.

T P S CORONET FORESIGHT 11TH x - The All-American Grand Champion Summer Yearling Bull of 1961. He was Reserve Junior Champion at the 1961 International and won his class and was Champion at a lot of shows in 1961. In 1962 he started at the Illinois State Fair as Reserve Senior Champion Bull and he and a half-brother also by the great breeding bull T P S Coronet Foresight won the best pair of bulls class. A half-brother to the 1962 Polled Shorthorn Congress Grand Champion Bull and many other great breeding cattle. Coronet Max Leader 3d was sold at a long price to the Bapton Herd in Scotland and after siring several calf crops there has been sold to a herd in New Zealand. Coronet Max Leader 3d is by Priam Royal Leader whose calves swept the show in Sidney this year and ~~seven~~ sold for an average price of over \$5000. per head. Avenel Volga Clipper is the dam of Avenel Headliner, purchased at \$2100. from Avenel, used in the Thieman herd where he sired an International Champion and then she was sold to the Hultine Herd in Nebraska.

GOOD DECISION x - Our consignment to the All American Sale will surely prove our past claim to the ownership of two good breeding bulls. All of the consignment are drafted from our 1962 show herd. Good Decision is deep, smooth, straight-lined, heavy boned and dark red in color with plenty of weight for age. Weighed 1320 lbs. the 10th of January 1962. The picture, an unretouched snapshot, tells the story well. Out of Oakwood Decision by the International Grand Champion, Creekland Lancer on the sire's side. Out of G F August 2d by Hilldale Atom, he by Hilldale Collynie 60th, she out of August 138th by the \$5000. Edellyn Vallant Mercury. This should be enough pedigree. Have a look.

A full brother to him sold in our sale for \$2000.00 to Lawrence Zirbel, Chaseley, North Dakota, and another full brother sold for \$1000.00 to H. S. Osborne, Denton, Texas. The dam of Lynnwood Commentator has one of our best summer calves at side now, a full brother to him. Lynnwood Rosie is sired by an International first prize winner and an Indiana State Fair Grand Champion, Birmingham Millhills Democrat. There are about as many cattle of exactly the right type in this pedigree as any bull we have.

Chapleton Commando was Reserve Senior Champion at Perth and was used in the Bapton herd. Bapton Marcia Ramsden the 2000 Guinea daughter of Calrossie Constellation is one of the greatest females ever brought across the ocean. She is a half-sister to Bapton Constructor and her two grandsires are Calrossie Control and Kirkton Baronet. Coronet Max Leader 3d was sold for export to Bapton. Priam Royal Leader was sold for export to Australia at \$7500. Killearn Max Juggler was sold at \$10,000. and was Grand Champion Bull at the International. This could be the greatest breeding bull that we have ever offered for sale. He is not in high condition because we have bred 25 females to him.

SCENI-VALE CONSORT x - Is a powerful headed bull, is extremely deep bodied, and as rugged as they come. Timberlee's Consort 3d is considered one of the best sons by Timberlee's Consort, and is in use at Timberlee Valley. His dam comes from the Glenburn herd of Ken Deacon - a noted establishment for top brood cows. We would like to show this calf through the International. Herd TB & Bangs Certified.

She is sired by Lynnwood Bolster, Senior Champion at Denver and Fort Worth in mixed competition and now the herd sire for W. P. Hix & Sons at Winchester, Tennessee. Lynnwood Orbit was also Senior Champion at Denver and was later exported to New Zealand where he has given a good account of himself. Lynnwood Symbolier, the grandsire of this heifer on the dam's side, was the top selling bull in Lynnwood Sale. She was 2d place Senior Yearling heifer and in the 1st prize pair of females at the 1962 Illinois State Fair. She sells mated, since May 1st, to Lynnwood Lancer. Calfhood Vaccinated.

ARROWHEAD CAROLINE 15TH x - This short age Junior Yearling heifer stood sixth at the 1962 Illinois State Fair in a class of twenty-two. She was also in the third prize Get of Sire group. She is from perhaps our best cow family. Her sire has been an outstanding breeder; two steers by him this year were Grand Champions over all breeds in each of two strong Indiana County 4-H Club Shows. Calfhood Vaccinated.

### POLLED SHORTHORNS - ADAPTABLE ANYWHERE . . .

Anywhere Beef cattle is a business - Polled Shorthorns readily adapt themselves and set-about profiting for their owners. They're as much at home in

lush pastures as they are the dryer, rough regions. "Adaptability" - a big factor in deciding what breed you will tie into and go with for the future!

ARROWHEAD ROSEBUD 6TH x - Very few daughters of Lynnwood Lancer have been offered for sale. This certainly is one of the better ones. The breeding on the dam's side is outstanding. It is the same Rosebud family that produced Lynnwood Leader; in fact, the dam of this heifer is only two generations removed from Lynnwood Leader's dam. T P S Coronet Commander 12th gave a particularly good account of himself as a sire in the Creekland herd in South Carolina. This heifer stood fifth in the Summer Yearling Class, 21 showing, at the 1962 Illinois State Fair. She was also in the third place Get of Sire at that strong show. Calfhood Vaccinated.

### The Final Product - Our Responsibility . . .

What the consumer sees  
in the final product - dis-  
played for comparison  
with competitive meats -  
we are first responsible  
for as registered breed-  
ers. Competition dictates  
we can settle for nothing  
less than the very best.
